

The Invincible

“The Ultimate
Wheelbarrow”

The Invincible is the professional's heavy-duty wheelbarrow. Its large capacity and unique construction make it ideal for heavier loads.

The Invincible

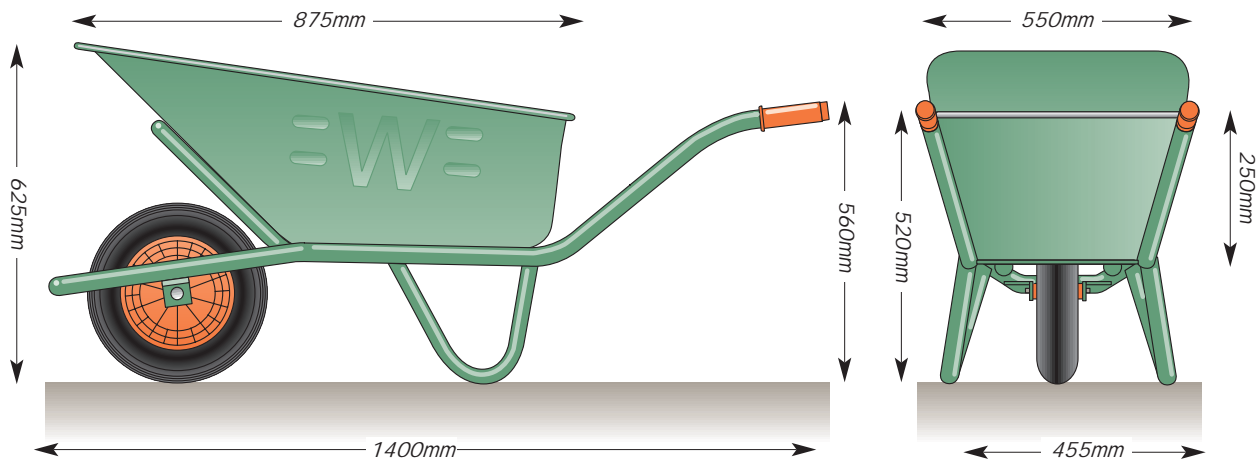

The Invincible is the ultimate wheelbarrow for greater strength and volume.

Stronger and More Durable

- eye-catching, extra strengthened tubular front pan support
- reinforced pan sides with unique "W" stamping
- restyled welded leg frame with superior fittings underneath the wheelbarrow pan
- extra-strong double rolled and wide-edged pressed steel pan
- high-impact polypropylene wheel with heavy duty brackets
- tough, epoxy-polyester powder paint finish

Safer with Superior "Tipability"

- greater manoeuvrability with low centre of gravity and optimum working position
- improved balance and weight distribution when loaded
- easy passage through doorways with unique pan and frame design
- resistance-free, smooth pan surface with reinforced holes
- easy-to-change wheel assembly
- added comfort with fitted handle grips
